

GENERAL INFORMATION SUPERMOTO

GROUP LEVEL :

Riders are split into two or three groups (according to number of participants) by ability. Riders' ability is reassessed at midday based upon timings throughout the morning. Runs : Each group will take part in six runs of 20 minutes each (maximum of 35 riders per run).

TRACK :

The track riders follow is very similar to the 2014 Superbiker track (1,428 meters, of which 66% is tarmac and 34% is off-road).

AGE :

Minimum age 18 years. Parents' or guardians' permission is required for under-18s. Riders under 15 must hold a license, bikes will be a maximum size of 85cc, and riders will be placed in the beginners' group (unless this requirement is overturned by the organisers).

EQUIPMENT :

Leather suit, boots, back protector, helmet mandatory (see rules).

NOISE CONTROL :

The noise limit is set at 101dB in dynamic range. Based on the experience of previous years, only "enduro type" exhaust pipes and/or pipes with a double outlet fitted with a dB killer will now be authorized.

MEDICALE ASSISTANCE :

Medical assistance is provided by one doctor, one nurse and one ambulance. The health centre is on the ground floor of the control tower.

REFRESHMENTS :

The café is on the second floor of the control tower, is open all day and offers a midday menu or sandwiches.

PHOTO SERVICE :

A photographer is on site all day and riders will have the chance to buy photos of their experience.

WEATHER CONDITIONS :

Confirmation or cancellation of each date according to weather conditions will be published in priority position on this page and also on the Circuit Jules Tacheny Facebook page.
